EXPERIENCE.

BY THOMAS C. EASTERLING.

If when your plans go all astray,
Gloom and sorrow crowd the way,
Till friends who shared your neared cup
Have turned their backs and passed you up—
When not a beacon is in sight,
And you have lost, at least, the fight—
Don't give up, but still press on,
For there's a victory to be won;
Keep your courage all the while,
And bear your burdens with a smile—
Put it down "Experience."

If the girl who won your heart
Plays the coquette's hateful part,
Whose fickle smiles their cunning lend
Till false and true their colors blend—
Whose tongue is silvered o'er with lies
Till falsehoods cloud the loveliest skies—
Keep your faith and don't give up,
For she will quaff the bitter cup,
And turn your heart another way,
For there will surely come a day—
Put it down "Experience."

If fortune still her distance keep,
And the path be rough and steep,
And every hour is filled with fears
Till hope grows fainter with the years—
When you have spent every dime,
And being poor seems a crime—
This is the test the fates have lent,
For steel springs higher when 'tis bent;
So let your spirit be likewise,
For all's a blessing in disguise—
Put it down "Experience."

Dr. S. B. Kash Dead.

Dr. Kash is dead. He breathed his last Sunday evening, March 26th, 1905, at eight o'clock. For 11 days he lingered with pneumonia and bravely fought the monster disease with hope of recovery. He failed rapidly although his vitality was sustained much longer than was hoped. His suffering was intense but he bore it courageously. He fully realized his condition and talked beautiful and consolingly to his devoted wife of his approaching demise, bidding her to be brave and care for herself and baby.

Dr. Kash was born in Morgan county, Kentucky, July 15th 1870, he was the son of Dr. and Mrs. J. M. Kash, of Jackson, Ky. He has one brother, J. F. Kash, of Jackson, Ky., and three sisters, Rosa Day, of Winchester, Ky., Emma May, of White Oak, Ky., and Margaret Sewell, Jackson, Ky.

He was united in marriage to Margaret Pieratt, of Morgan county, Ky. Dec. 1st, 1895 to whom one daughter Lavound, aged 19 months, was born.

He graduated in medicine at Louisville, from which school he holds high diplomas. He practiced his profession in Kentucky until he moved to Burdett, five years ago, where he has since practiced his profession.

He was loved and esteemed by all the best people in this community.

His principles were of the highest, and he treated every body courteously and fairly. He was a man of refined nature and generous impulses and one need not know him long to appreciate these qualities.

Dr. Kash was a faithful member of the Christian Church at Hazel Green, Ky., on moving to Missouri he united with the Christian Church at Everett.

The funeral services were held at the Burdett church March 27th, after which the body was borne to its last resting place in Crescent Hill cemetery.—The Adrian Journal, Adrian, Mo.

Hensley has been in the Winchester jail for several months, having been refused admission to the penitentiary

A Living Monument.

If we were to assemble all those who have been cured of heart disease by Dr. Miles' Heart Cure, and who would to-day be in their graves had not Dr. Miles' been successful in perfecting this wonderful heart specific, they would populate a large city.

What a remarkable record—a breathing, thinking, moving monument, composed of human lives,—that for which every other earthly possession is sacrificed.

The Miles Medical Co. receive thousands of letters from these people like the following:

"I feel indebted to the Dr. Miles' Heart Cure for my life. I desire to call the attention of others suffering as I did to this remarkable remedy for the heart. For a long time I had suffered from shortness of breath after any little exertion, palpitation of the heart; and at times terrible pain in the region of the heart, so serious that I feared that I would some time drop dead upon the street. One day I read one of your circulars, and immediately went to my druggist and purchased two bottles of the Heart Cure, and took it according to directions. With the result that I am entirely cured. Since then I never miss an opportunity to recommend this remedy to my friends who have heart trouble; in fact I am a traveling advertisement for it. I am widely known in this locality."

J. H. BOWMAN,
Manager of Lebanon Democrat,
Nashville, Tenn.

Dr. Miles' Heart Cure is sold by your druggist, who will guarantee that the first bottle will benefit. If it fails he will refund your money.

The selection of a jury to try the Hargis brothers and Ed Callahan began Tuesday evening, and five qualified that day. The defendants asked for separate trials and the Commonwealth elected to try Judge James Hargis first. The trial, it is generally believed, will consume at least one month's time.

AFTER persistently fighting for 20 years for development it is just now gratifying to know that it is beginning to dawn in our immediate vicinity. There is now every indication that within 60 days, at the outside, there will be not less than 10 wells put down to ascertain for a certainty whether we have oil, and if so, the quality and quantity of the product. Three different companies are now in the field and development will be fast and furious, we hope.

The Paintsville Herald of last week was an industrial edition of 32 seven-column pages, which was well filled with local advertising, supplemented with a goodly supply from Huntington, W. Va., and Ironton, Ohio. This number contained half-tone pictures of prominent citizens of Johnson County, views of immense coking coal openings along the Sandy Valley, pictures of public and private houses in Paintsville; river and industrial scenes; capitalists examining coking coal veins, some of which face up 14 feet; views of picturesque scenery, etc., etc. The handsome phiz of our friend, Warren Meek, editor and proprietor, with a cut of his power press and the Herald home are also portrayed. Altogether the issue is a very creditable production speaks well for the enterprise of Paintsville's citizens, and doubtless presented the proprietor with a plethora of praise for his pains. But Brother Meek could have improved it by using better paper and ink.

Rev. Andrew Johnson, an evangelist of the Methodist Church, began a protracted meeting at the Methodist Church in this place on Monday night, in which he is assisted by the resident pastor, Rev. C. The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidneys themselves break down and waste away cell by cell.

Bladder troubles most always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases.

Swamp-Root is pleasant to take and sold by all druggists in fifty-cent and one-dollar sized bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both Home of Swamp-Root, sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Cheated Death.

Kidney trouble often ends fatally, but by choosing the right medicine, E. H. Wolfe, of Bear Grove, Iowa, cheated death. He says: "Two years ago I had Kidney Trouble, which caused me great pain, suffering and anxiety, but I took Electric Bitters, which effected a complete cure. I have also found them of great benefit in general debility and nerve trouble, and keep them constantly on hand, since, as I find they have no equal." All druggists, guarantees them at 50c.

Hurrah For the Poet-Painter.

The poet-painter last week tried his skill as an artist in japalacking the furniture of the editor and his better seven-eighths, the color being gloss white, and that he did the job to a "queen's taste" goes without saying. Japalack is of itself a great beautifier to old or worn furniture, and when put on by Sam Wilson it is doubly decorative. He also finished up some inside work for John Ward and wife.

Development Is Coming.

Capt. Brush, who has the contract for drilling the well to be put down at once, told "our man about town" Monday that the derrick for the Holly Wilson well will be completed by next Monday evening, and all the machinery on the ground by the latter part of the week. This indicates that drilling will begin about Monday week and once the ball is put rolling it is confidently believed that development will go forward at a rapid rate.

FIFTY CENTS

IN some conditions the gain from the use of Scott's Emulsion is very rapid. For this reason we put up a fifty-cent size, which is enough for an ordinary cough or cold or useful as a trial for babies and children. In other conditions the gain is slower—health cannot be built up in a day. In such cases Scott's Emulsion must be taken as nourishment; a food rather than a medicine. It's a food for tired and weak digestions.

The editor of this paper will endorse the honesty of the following paid local: In October, 1889, I, C. S. Mick, known as "KE-NO-TA, THE INDIAN MEDICINE MAN," came to Hazel Green and stayed two weeks, giving free shows every night, and selling my own make of medicine. The remedies were good, and did good for all my customers, and many of your people followed me to Campton, Jackson and Beattyville to get medicines that would cure them, and all were loud in their praise of the wonderful curative effects of the medicines they bought. I did more real good for my mountain customers than any other medicine man that has ever visited your community and I take this method to inform you that I am still alive, hale and hearty, and although nearly 68 years of age, feel like a youngster of 35. Myself and family (wife and two boys) live at Rock Island, Illinois, where I have my office, from which I ship daily to all parts of the United States the medicines that I make and have advertised for nearly fifty years.

My Medicines Won't Raise the Dead, But I still offer ONE HUNDRED DOLLARS REWARD for any of the following diseases that the use of my remedies fail to benefit and CURE TO STAY CURED—Consumption, Asthma, Rheumatism, Rupture, Tape Worm, Lost Manhood, Fits, Bed Wetting Habit, Lumbago, Kidney Disease, Catarrh of Head, Chronic Constipation, Indigestion, Stomach Trouble, Old Sores, Piles, Scrofula, Worst Blood Diseases, Necrosis or rotting of the bone, Big Neck, White Swellings, Nervousness, Heart Palpitation, Liver Troubles, Dyspepsia, Varicocoele, Nervous Disability, any contracted disease, all diseases of men, lack of force, manly waste, skin diseases, Eczema, Birth Marks, Old Sores, Fever Sores, Sores in Scalp, and many others.

THE SECRET OF MY SUCCESS is in the fact that I make my medicine out of Herbs, Bark, Berries, Gums, Leaves and Plants that I gather in the woods where they grow, and I am the only living white man that does this, and I make ONE MEDICINE FOR ONE DISEASE. On this plan my remedies do good for each person I deal with. Now, if you have chronic disease of any kind that your resident doctors have not and can not cure, write to me, describe your feelings and symptoms in your own way, name the true date and month of your birth, that I may know your age, inclose a 2-cent stamp for reply, and I will answer and tell just what I would have one of my own family use if either of them were similarly afflicted, and my price for the medicine. Then if you want the medicines write me, and put the price in the letter; register your letter at the postoffice, and on receipt of same here, I will ship you the very best medicines that can be had on earth, with full and complete directions how to use them, and when followed, a Positive Cure will result. DO NOT DELAY WRITING TO ME, as life is uncertain at my age, and to get my medicines YOU MUST WRITE TO ME WHILE I AM ALIVE. Address all mail like this:

C. S. MICK,
THE MEDICINE MAN,
ROCK ISLAND, ILLINOIS.

SPECIAL DIRECTIONS.—You can cut out the above printed address and paste it on your envelope, and it will be sure to reach me. (White of an egg makes a good paste).

EXTRA SPECIAL.—Be sure and tell me exactly how to direct your letter to you so as to reach you—WRITE YOUR OWN NAME PLAIN AND DISTINCT. If you get mail by rural free delivery, TELL ME so, and give the number of the route, and you will quickly hear from me. All letters are strictly confidential, and are opened by me in person. So talk plain and tell me all. I can send you remedies for any ailment, NO MATTER WHAT IT IS, and it will work like a charm. If you, reader, are not afflicted in any way, I want you please call the attention of some suffering relative or friend to this notice, so that they can regain their health! By doing this you will be doing them a kindness, and me a favor at the same time. My prices are very low. To illustrate: I will send by mail 3 boxes of my Indian Herbs for Constipation, Indigestion and Liver and Stomach disorders, for only One Dollar. Each box is worth that. Always send money with your order.

Waylaid on Troublesome.

The meagre particulars of a tragedy which may result fatally to the victim reached Jackson for the first time last Monday morning. A young man by the name of Hughes was shot in a mysterious manner on the date mentioned by an unknown person, the deed being committed on Troublesome Creek, 20 miles from Jackson. Hughes was not so badly wounded as to prevent him from walking home. He lives with his father on that creek, and at midnight he reached his home bleeding profusely from a number of wounds made by buckshot. He claims that he was shot from ambush, but stubbornly refused to indicate the place where he was shot, or any other details, leaving the matter closely veiled in mystery. His wounds are of such a character that it is believed that he will die. He is about 22 years old.—Jackson Hustler.

Kitchen Economy.

With the uniform high charges for gas, the gas stove is ordinarily the most expensive piece of household machinery, and at the same time it is the one least understood by the average housekeeper. Writing in the May Delineator under the topic "Gas Stove and Refrigerator Knowledge," Isabel Gordon Curtis has some suggestions in this connection which rob the gas stove of some of its terrors of cost. Young housewives particularly will profit by reading the article, which is in the series "The Making of a Housewife." Other topics of domestic interest in the same number are "A Crown of Lamb," illustrated for Easter service, "Left-overs," also illustrated, and a fund of kitchen lore and recipes under the headings "A Nest of Eggs,"

LIVER TROUBLES

"I find Theford's Black-Draught a good medicine for liver disease. It cured my son after he had spent \$300 with doctors. It is all the medicine I take."—MRS. CAROLINE MARTIN, Parkersburg, W. Va.

If your liver does not act regularly go to your druggist and secure a package of Theford's Black-Draught and take a dose tonight. This great family medicine frees the constipated bowels, stirs up the torpid liver and causes a healthy secretion of bile.

Theford's Black-Draught will cleanse the bowels of impurities and strengthen the kidneys. A torpid liver invites colds, biliousness, chills and fever and all manner of sickness and contagion. Weak kidneys result in Bright's disease which claims as many victims as consumption. A 25-cent package of Theford's Black-Draught should always be kept in the house.

"I used Theford's Black-Draught for liver and kidney complaints and found nothing to equal it."—WILLIAM COFFMAN, Marblehead, Ill.
